

## A personal message from your local Conservative Candidate

*Dear Resident*

For the last four years, it has been an honour and a privilege to represent the residents of West Leigh on Havant Borough Council. As somebody who grew up and lives in the area, I'm committed to delivering for residents.

During my time as your local Councillor, we have had the Coronavirus pandemic, including various lockdowns where I was able to support the community by helping to lead a support network that helped hundreds of people across Leigh Park. I've also successfully campaigned for a new glass recycling point in West Leigh, helped Havant & Waterlooville FC deliver a new academy at Westleigh Park and helped hundreds of residents with issues.

I'm also a School Governor at St Alban's Primary School and care about education and the next generation.

Last May, in addition to being Ward Councillor, I was elected Leader of Havant Borough Council, where I'm putting forward an ambitious vision for the future of our Borough. This includes ending our shared partnership with East Hampshire District Council to put Havant residents first and committing to putting spades in the ground on our regeneration priorities. I care deeply about our Borough and want it to be a place enjoyed by all, whether that is to live, work or visit.

If re-elected in May, I'll continue to work hard for the residents of West Leigh and the whole Borough, to make it a place we can be proud to call home.

Yours sincerely

*Alex Rennie*

## A strong local voice, fighting for our community.

During the first lockdown, Alex ran a volunteer network.

**Your Conservative team for West Leigh has worked hard to improve our area. Recent successes include securing a new crossing on Bartons Road, investment in the St Alban's tower blocks and a new glass recycling point at St Alban's Church. But we plan to do so much more.**

For his work delivering for West Leigh, Alex was shortlisted as a finalist for Young Councillor of the Year in the national CCLA / LGiU awards.

Vote Conservative on 5 May to allow Alex to continue to work as a team for West Leigh alongside County Councillor Jackie Branson and Cllr Richard Stone. Currently, they are working on Jubilee celebrations at Bartons Triangle and the Football Club as well as delivering a

new Falkland Islands Memorial at Bartons Green for the 40th anniversary of the liberation in June.

If re-elected, Alex wants to work with the Police to crackdown on crime and anti-social behaviour, that includes exploring the use of more CCTV across the Borough especially in public places that are at risk of vandalism.

He is being backed by local MP Alan Mak, who said: "I've been able to work closely with Alex on a number of campaigns, including working hard to deliver new high-quality jobs on New Lane with the opening of the new Sartorius factory and re-development of the former Buttericks site. Vote to re-elect Alex to get a hard-working Conservative Champion for West Leigh."

### POST-BREXIT FREEPORT DELIVERS JOB GROWTH

Your Conservative Council is committed to ensuring the benefits of Brexit are delivered for the whole Havant Borough. Our new post-Brexit Solent Freeport at Dunsbury Park has now received outline permission from the Government. We are determined to press forward with these plans that will create thousands of new jobs across the Borough. Only your Conservative Candidates can be trusted to make a success of Brexit.

### STEPPING UP TO SUPPORT UKRAINE

We are appalled by the events in Ukraine and the unprovoked attack by Russia. Your Conservative Council has moved quickly to set-up a humanitarian donation point at the Meridian Centre in Havant in conjunction with local charities and our housing team stands ready to support refugees. The Council has instructed its pension fund to divest from any Russian holdings and has committed to doing no business with any Russian company until they return to the international community.

### A QUALITY HOME FOR ALL & END ROUGH SLEEPING

Your Conservative Council wants every person in the Borough to be able to live somewhere they can be proud to call home. We are making a commitment to end rough sleeping in the Borough and have delivered new temporary accommodation at Brent House in Leigh Park. We have plans for a Housing Company to deliver affordable rental homes and have ambitious plans to increase social housing provision.

## GOOD REASONS TO VOTE CONSERVATIVE IN WEST LEIGH

### INVESTMENT IN SPORT AND CHEAPER HIRE CHARGES

Alex is a passionate sportsman, playing hockey in his spare time for Havant Hockey Club. Knowing what a difference accessible sport can be for young people he has made sport pitch hiring charges cheaper across the Borough. He's also working to improve our sports pitches, helping secure funds for a new artificial pitch at Front Lawn and new changing rooms at Bartons Green. If re-elected he'll continue to make access to sport a priority.

### REGENERATION AND THRIVING TOWN CENTRES

The Conservatives are committed to delivering high quality regeneration for the Borough and to deliver Levelling-Up across our area. Our new Regeneration Strategy has been published and we are committed to getting spades in the ground in Havant Town Centre over the next 12 months. Our plans for all areas in the Borough are also gathering speed with a desire for thriving town centres in all of our communities.

### INVESTING IN PARKS AND DEFENDING OPEN SPACES

We are passionate about green spaces, the environment and having places for our young people to enjoy. That's why your Conservative Council is committing to building up to three new play parks every year. We are also defending our land from traveller incursions by building natural defences. Our recently adopted Climate Change and Environment Strategy sets out the ambition to make the Borough Net Zero by 2050.
