

## A personal message from your local Conservative Candidate

*Dear Resident*

It has been my pleasure to serve as one of your elected members for Purbrook Ward for the last 3 years. Being a Councillor was new to me but my time in office has been educational, enjoyable and rewarding.

In the Ward during the pandemic, I actively supported local businesses & vulnerable and isolated residents with deliveries from food banks, prescription deliveries and shopping errands. Working with the local residents' association (PAWARA) I successfully project managed the replacement of the Elstead Gardens to Ladybridge Road footpath. With my fellow Ward councillors, we successfully made the case for renewing the footpath at Sandy Brow to the stairwell. I continue to seek out areas that benefit from improvements.

I am a Governor at Crookhorn College, where I chair the Finance & Estate Committee. I am a volunteer for the Shaping Portsmouth charity in which I lead the Digital Enablement Programme, a scheme that provides devices to students and vulnerable adults who are unable to afford a device themselves. To date over £20k has been raised by me for the programme which has benefitted many children and adults, including residents in our ward

A busy 3 years, but it has been enjoyable and rewarding to see my efforts having a positive impact on the community where I live. It has been my privilege to be your representative and your voice on Havant Borough Council. I would like the opportunity to continue being a strong voice for Purbrook, Widley & Crookhorn and I hope you can trust me with your vote at this important time.

Yours sincerely

*Husky Patel*

We are determined to press forward with these plans that will create thousands of new jobs across the Borough. Only your Conservative Candidates can be trusted to make a success of Brexit.

### STEPPING UP TO SUPPORT UKRAINE

We are appalled by the events in Ukraine and the unprovoked attack by Russia. Your Conservative Council has moved quickly to set-up a humanitarian donation point at the Meridian Centre in Havant in conjunction with local charities and our housing team stands ready to support refugees. The Council has instructed its pension fund to divest from any Russian holdings and has committed to doing no business with any Russian company until they return to the international community.

### A QUALITY HOME FOR ALL & END ROUGH SLEEPING

Your Conservative Council wants every person in the Borough to be able to live somewhere they can be proud to call home. We are making a commitment to end rough sleeping in the Borough and have delivered new temporary accommodation at Brent House in Leigh Park. We have plans for a Housing Company to deliver affordable rental homes and have ambitious plans to increase social housing provision.

## GOOD REASONS TO VOTE CONSERVATIVE IN PURBROOK

### DELIVERING LOCAL PROJECTS IN PURBROOK

We have also helped deliver hundreds of thousands of pounds worth of local community projects through a Levy on new housing. The money raised has helped to fund the replacement of the Elstead Gardens to Ladybridge Road footpath which was project managed by Husky alongside fellow Councillors. We'll continue to make the case for investment in Purbrook.

### REGENERATION AND THRIVING TOWN CENTRES

The Conservatives are committed to delivering high quality regeneration for the Havant Borough and deliver Levelling-Up across the Borough. Our new Regeneration Strategy has been published and we are accelerating plans for improving Waterlooville Town Centre. Our plans for all areas in the Borough are also gathering speed with a desire for thriving town centres in all of our communities.

### INVESTING IN PARKS AND DEFENDING OPEN SPACES

We are passionate about green spaces, the environment and having places for our young people to enjoy. That's why your Conservative Council is committing to building up to three new play parks every year. We are also defending our land from traveller incursions by building natural defences. Our recently adopted Climate Change and Environment Strategy sets out the ambition to make the Borough Net Zero by 2050.
