

A personal message from your local Conservatives

Dear Resident

I have had the privilege and pleasure of representing you on the County Council for the past 13 years.

A lot of the time many of the problems and difficulties that people have asked for my help with have been the responsibility of Havant Borough Council rather than Hampshire County Council. I do not like just passing problems on to your Havant Borough councillors but have tried to get problems sorted myself with their assistance. It would be good to try and sort these problems from the inside - which should give better results.

So I am asking for your support in this election so that I can continue to serve the people of Bedhampton to the best of my ability (which I have always done), but hopefully in a more effective way by having more direct influence over Havant Borough Council.

Over the years I have demonstrated my tenacity and determination in fighting for residents, whether it be fighting the wholly unsuitable development in Lower Road, upgrading the play park and the pavillion in Bidbury Mead, or supporting community groups like the Mens Shed and St Johns Ambulance.

My pledge to you is that if I am successful in this election I will continue to do my very best for our wonderful community in Bedhampton.

Yours sincerely

POST BREXIT FREEPORT DELIVERS JOB GROWTH

Your Conservative council is committed to ensuring the benefits of Brexit are delivered for the whole of Havant Borough. Our new Solent Freeport at Dunsbury Park has now received outline permission from the government. We are determined to press forward with these plans that will create thousands of new jobs across the Borough. Only your Conservative candidates can be trusted to make a success of Brexit.

STEPPING UP TO SUPPORT UKRAINE

We are all appalled by the events in Ukraine and the unprovoked attack by Russia. Your Conservative council has moved quickly to set up a humanitarian donation point at the Meridian Centre in Havant in conjunction with local charities. Our housing team stands ready to support refugees and the residents who have come forward to offer homes. The Council has instructed its pension fund to divest from any Russian holdings and has committed to doing no business with any Russian

A QUALITY HOME FOR ALL & AN END TO ROUGH SLEEPING

Your Conservative council wants every person in the borough to be able to live somewhere they can be proud to call home. We are making a commitment to end rough sleeping in the Borough and have delivered new temporary accommodation at Brent House. We have plans for a housing company that will deliver affordable rental homes.

GOOD REASONS TO VOTE CONSERVATIVE IN BEDHAMPTON

REGENERATION AND THRIVING TOWN CENTRES

The Conservatives are committed to delivering high quality regeneration for the Borough. Our new Regeneration Strategy has been published and we are committed to getting spades in the ground in Havant town centre within the next 12 months. Our plans for all areas in the borough are also gathering speed with a desire for thriving town centres in all our communities.

DELIVERING LOCAL PROJECTS IN BEDHAMPTON

We have helped deliver hundreds of thousands of pounds worth of local community projects through a levy on new housing. So far we have spent £50,000 on installing an artificial cricket pitch in Bidbury Mead and resurfacing Havant Rugby Club car park; next in line is draining Scratchface Lane park, for which £45,000 has been allocated, and over £200,000 is available for enhancing the Rusty Cutter roundabout.

INVESTING IN PARKS AND DEFENDING OPEN SPACES

We are passionate about having green spaces for people to enjoy. That's why your Conservative council is committing to building up to three new play parks each year. There are over 40 play parks in the Borough and we must fight hard to get play parks like Bidbury Mead and Scratchface Lane at the top of the list. We are also defending our land from traveller incursions (eg at Havant Rugby Club) by building natural defences.
