

## A personal message from your Conservative Candidate

*Dear Resident*

I am Kris Tindall and I would like to introduce myself as your prospective Conservative Candidate for Battins. I have lived in Leigh Park all my life and in Battins for 30 years. I went to Barncroft and Broomfield (now the Park) schools.

As a resident, I'm well aware of the problems that people face daily.

I am passionate about our green spaces. We have so many beautiful trees in Battins; I feel we are very lucky in that regard and that we should try to protect what we have.

I retired in 2019. For the past year I was a volunteer at Greywell COVID clinic. People came from all over and were very grateful for the friendly reception they received in Leigh Park. I am also very thankful to the Government for their rapid roll out of vaccine. The clinic wound down in February this year. Although they are still open they are not busy enough to require all of us volunteers, So, I decided that I could spend that time representing my community and the people of Battins.

I also lived in the Warren, some 35 years ago, for 5 years. I joined the congregation of St Clare. I am on the Parochial Church Council (PCC). St Clare and St Francis are a dual parish so I'm a frequent visitor to St Francis as well.

I have one daughter, who went to school locally. She went to university in London, which is where she lives now. She has not been home too much of late, due to the pandemic, but I do hope that things will soon return to normal.

I hope I can count on your support on Thursday 5th of May.

Yours sincerely

*Kris Tindall*

## A strong local voice, fighting for our community.

Kris enjoying the Leigh Park Gardens in spring

**If elected, I would be a strong voice on Havant Borough Council (HBC). I care very much about Leigh Park and the residents of Battins in particular. I would always do my best and work hard towards making Battins a safe and pleasant place to live, for our children and grandchildren. The council recently steam-cleaned the play area in Greywell shopping precinct.**

**The Conservative group on HBC is very keen on sport and play facilities for youngsters in the borough. HBC have recently reduced the cost of hiring football pitches for young people. It is hoped that this will encourage more use of**

**the facilities.**

**We also have the wonderful Leigh Park Gardens (Staunton Park) on our doorstep. Our common is well-used and is the perfect spot for the annual firework display. I would like to see Leigh Park Carnival resurrected. It is wonderful to see people out and enjoying themselves in the sunshine.**

**I would be interested in contacting business owners with regard to improving Park Parade and Greywell shopping centre, So many shops have closed that it may be time to encourage owners to develop shops into homes, subject to planning approval, of course.**

## The Local Choice for Battins

**Vote Conservative**

### POST-BREXIT FREEPORT DELIVERS JOB GROWTH

Your Conservative Council is committed to ensuring the benefits of Brexit are delivered for the whole Havant Borough. Our new post-Brexit Solent Freeport at Dunsbury Park has now received outline permission from the Government. We are determined to press forward with these plans that will create thousands of new jobs across the Borough. Only your Conservative Candidates can be trusted to make a success of Brexit.

### STEPPING UP TO SUPPORT UKRAINE

We are appalled by the events in Ukraine and the unprovoked attack by Russia. Your Conservative Council has moved quickly to set-up a humanitarian donation point at the Meridian Centre in Havant in conjunction with local charities. Our housing team stands ready to support refugees and the residents that have come forward to offer homes. The Council has instructed its pension fund to divest from any Russian holdings and has committed to no business with any Russian company.

### A QUALITY HOME FOR ALL & END ROUGH SLEEPING

Your Conservative Council wants every person in the Borough to be able to live somewhere they can be proud to call home. We are making a commitment to end rough sleeping in the Borough and have delivered new temporary accommodation at Brent House in Leigh Park. We have plans for a Housing Company to deliver affordable rental homes and have ambitious plans to increase social housing provision.

## GOOD REASONS TO VOTE CONSERVATIVE IN BATTINS

### INVESTMENT IN SPORT AND CHEAPER HIRE CHARGES

Knowing what a difference accessible sport can be for young people, we have made cheaper the cost of hiring sports pitches across the Borough. We are also working on improving our sports pitches, securing funds for a new artificial pitch at Front Lawn and new changing rooms at Bartons Green. Conservatives will invest in high quality facilities to help keep our next generation active.

### TACKLING ANTI-SOCIAL BEHAVIOUR

We are working alongside the Police to tackle anti-social behaviour in the Borough. Our newly created Leigh Park Anti-Social Taskforce is bringing together stakeholders from across Leigh Park to share information and aim towards safer streets. We have committed to review our use of CCTV, using the latest technology, especially around community buildings and play areas, to make residents feel safe.

### INVESTING IN PARKS AND DEFENDING OPEN SPACES

We are passionate about green spaces, the environment and having places for our young people to enjoy. That's why your Conservative Council is committing to building up to three new play parks every year. We are also defending our land from traveller incursions by building natural defences. Our recently adopted Climate Change and Environment Strategy sets out the ambition to make the Borough Net Zero by 2050.
