

## A personal message from your Conservative Candidate

*Dear Resident*

I'm Pam Crellin and you elected me to the council in 2018.

As you know, the pandemic caused upheaval for all of us. But during that time, I was able to meet with residents, in their gardens, to discuss any problems, when the restrictions allowed.

I also became a phone buddy to many local people who were struggling.

I've always put residents first, and do my very best to support your needs, especially the vulnerable.

In the four years I have been your councillor, I have helped many of you with various problems, ranging from council tax concerns, housing issues and parking problems, to name but a few.

I'm always keen to learn your views and concerns about local issues.

I have lived in Barncroft ward since 1967. My children all attended local schools.

In my four years as your councillor, I have served on several committees, including human resources, planning and finance.

I hope I can count on your support in the forthcoming election on Thursday 5th May, 2022.

Yours sincerely

*Pam Crellin*

## A strong local voice, fighting for our community.

Pam enjoying a walk along the Hermitage Stream this spring,

**We are very fortunate in Barncroft, to have some beautiful open spaces. Some of these places have the Hermitage stream running through them.** There is an active group of people, called "The friends of Hermitage Stream", who work tirelessly on the upkeep of the stream. Dee Tupper (Chairman of the group) along with the ward councillors are organising a Jubilee celebration. This will be held on 3rd June. Havant Borough Council are donating £1000 towards funding this. We hope it will be enjoyed, and a good time had by all of Leigh Park.

**After a long time of looking at an almost derelict Brent House, Havant Borough Council have managed to get the funding for the housing**

**associations.** This will enable them to refurbish the building, and it will be available to local people. We hope the building works will be completed by the summer.

**For a long time now we have had health and safety issues in the area of the bins provided for glass and for clothes.** I have had management and officers to visit the site and clear the area, unfortunately it is still happening, some clothes and glass are not put in bins provided but dumped in the area around. As soon as we can, we will have a larger bin that will tell us when full, thanks to amazing technology. I hope residents will continue to recycle the clothes by taking them to a charity shop.

### POST-BREXIT FREEPORT DELIVERS JOB GROWTH

Your Conservative Council is committed to ensuring the benefits of Brexit are delivered for the whole Havant Borough. Our new post-Brexit Solent Freeport at Dunsbury Park has now received outline permission from the Government. We are determined to press forward with these plans that will create thousands of new jobs across the Borough. Only your Conservative Candidates can be trusted to make a success of Brexit.

### STEPPING UP TO SUPPORT UKRAINE

We are appalled by the events in Ukraine and the unprovoked attack by Russia. Your Conservative Council has moved quickly to set-up a humanitarian donation point at the Meridian Centre in Havant in conjunction with local charities. Our housing team stands ready to support refugees and the residents that have come forward to offer homes. The Council has instructed its pension fund to divest from any Russian holdings and has committed to no business with any Russian company.

### A QUALITY HOME FOR ALL & END ROUGH SLEEPING

Your Conservative Council wants every person in the Borough to be able to live somewhere they can be proud to call home. We are making a commitment to end rough sleeping in the Borough and have delivered new temporary accommodation at Brent House in Leigh Park. We have plans for a Housing Company to deliver affordable rental homes and have ambitious plans to increase social housing provision.

## GOOD REASONS TO VOTE CONSERVATIVE IN BARNCROFT

### INVESTMENT IN SPORT AND CHEAPER HIRE CHARGES

Knowing what a difference accessible sport can be for young people, we have made cheaper the cost of hiring sports pitches across the Borough. We are also working on improving our sports pitches, securing funds for a new artificial pitch at Front Lawn and new changing rooms at Bartons Green. Conservatives will invest in high quality facilities to help keep our next generation active.

### TACKLING ANTI-SOCIAL BEHAVIOUR

We are working alongside the Police to tackle anti-social behaviour in the Borough. Our newly created Leigh Park Anti-Social Taskforce is bringing together stakeholders from across Leigh Park to share information and aim towards safer streets. We have committed to review our use of CCTV, using the latest technology, especially around community buildings and play areas, to make residents feel safe.

### INVESTING IN PARKS AND DEFENDING OPEN SPACES

We are passionate about green spaces, the environment and having places for our young people to enjoy. That's why your Conservative Council is committing to building up to three new play parks every year. We are also defending our land from traveller incursions by building natural defences. Our recently adopted Climate Change and Environment Strategy sets out the ambition to make the Borough Net Zero by 2050.
