

## A personal message from your local Conservative Candidate

*Dear Resident*

I am 51 and have lived in the Stakes ward for most of my life. I live with my mum and daughter and my 4 cats – whom I adore! I work full-time as a civil servant and part-time as a cat sitter. I was fortunate to be elected back in 2018 to be your representative within Havant Borough Council and I am asking for you to do so again.

During these past 4 years I have assisted many residents with a wide variety of issues. These have included issues with bin collections, housing issues and planning objections, to name a few. I also prompted the start of our councillor surgeries which are currently being held at the Fox and Hounds pub on the first Saturday of each month between 12 and 1pm. The Stakes ward also has its own Facebook page called 'Stakes Matters' which I manage.

Should I be re-elected I will continue being your voice on Havant Borough Council, making sure that any issues and concerns you have are well represented. Our Conservative administration has exciting plans for our Borough and I will work closely with them to make this happen.

I would be delighted to hear from any resident within the Stakes ward on any projects or ideas that you are passionate about. You can contact me on 07912 384761 or via email at [caitlinmir@sky.com](mailto:caitlinmir@sky.com). Or add a post on the Stakes Matter Facebook page.

I hope that I can count on your support in the upcoming election on 5th May 2022.

Yours sincerely

*Sarah Milne*

### POST-BREXIT FREEPORT DELIVERS JOB GROWTH

Your Conservative Council is committed to ensuring the benefits of Brexit are delivered for the whole Havant Borough. Our new post-Brexit Solent Freeport at Dunsbury Park has now received outline permission from the Government. We are determined to press forward with these plans that will create thousands of new jobs across the Borough. Only your Conservative Candidates can be trusted to make a success of Brexit.

### STEPPING UP TO SUPPORT UKRAINE

We are appalled by the events in Ukraine and the unprovoked attack by Russia. Your Conservative Council has moved quickly to set-up a humanitarian donation point at the Meridian Centre in Havant in conjunction with local charities and our housing team stands ready to support refugees. The Council has instructed its pension fund to divest from any Russian holdings and has committed to doing no business with any Russian company until they return to the international community.

### A QUALITY HOME FOR ALL & END ROUGH SLEEPING

Your Conservative Council wants every person in the Borough to be able to live somewhere they can be proud to call home. We are making a commitment to end rough sleeping in the Borough and have delivered new temporary accommodation at Brent House in Leigh Park. We have plans for a Housing Company to deliver affordable rental homes and have ambitious plans to increase social housing provision.

## GOOD REASONS TO VOTE CONSERVATIVE IN WEST LEIGH

### INVESTMENT IN SPORT AND CHEAPER HIRE CHARGES

Knowing what a difference accessible sport can be for young people, we have made cheaper the cost of hiring sports pitches across the Borough. We are also working on improving our sports pitches, securing funds for a new artificial pitch at Front Lawn and new changing rooms at Bartons Green. Conservatives will invest in high quality facilities to help keep our next generation active.

### REGENERATION AND THRIVING TOWN CENTRES

The Conservatives are committed to delivering high quality regeneration for the Havant Borough and deliver the Levelling-Up across the Borough. Our new Regeneration Strategy has been published and we are accelerating plans for improving Waterlooville Town Centre. Our plans for all areas in the Borough are also gathering speed with a desire for thriving town centres in all of our communities

### INVESTING IN PARKS AND DEFENDING OPEN SPACES

We are passionate about green spaces, the environment and having places for our young people to enjoy. That's why your Conservative Council is committing to building up to three new play parks every year. We are also defending our land from traveller incursions by building natural defences. Our recently adopted Climate Change and Environment Strategy sets out the ambition to make the Borough Net Zero by 2050.
